RE: Misc. No. 00-0002
IN THE MATTER OF: Alberta Davison

Dear Ms. Davison:

I acknowledge receipt of your letter dated March 14, 2000, seeking review of the February 7, 2000, order of Chief Judge Anderson dismissing the complaint filed by you in this matter. Your letter as submitted, will not be filed as a Petition for Review because (a) it identifies more than one case number (b) it identifies four judicial officers by name and (c) it has attached a group of exhibits which are not authorized by Rule 5 (b) of Addendum III, Rules of the Judicial Council of the Eleventh Circuit governing Complaints of Judicial Misconduct or Disability.

I am authorized to extend your due date for filing a Petition for Review in this case, provided your petition references only a single complaint and all reference to other judicial officers not involved in this specific complaint, are not made. Also, should you submit a corrected petition, the exhibits that were attached should be withheld and not resubmitted.

Your original due date for filing petitions in these matters was March 17, 2000. Your due date is now extended to Monday March 27, 2000. Should your petition not be in this office by the close of business on March 27, 2000, your case will be closed without further filing or action being authorized.

Sincerely,

Ed McElhenney
