RE: Beyond Statistics to Documentary Evidence: The Corruption of Federal Judicial Selection/Confirmation, as *Readily-Verifiable* from Case-Studies of So-Called "Mainstream" "Consensus" Nominations -- Including those Engineered by Senator Charles Schumer

DATE: May 4, 2004

Attached is my memo to you of today's date, as well as CJA's July 3, 2001 letter to Senator Schumer discussed therein.

I look forward to hearing from you -- and being of service to your scholarship.

Thank you.

P.S. As I do not have the e-mail addresses of Professors Gulati and Taha, I would appreciate if either Professor Hibbitts or Professor Mazzone would forward this on to them. Thanks.
