Dear Ms. Smolowe,

Please tell Professor Resnick that we would be pleased to help her in any way -- especially with regard to the research proposal presented to her and other scholars by my May 4th memo, since posted on the homepage of CJA's website under "*Paper Trail Documenting the Corruption of Federal Judicial Selection/Confirmation & The Paper Trail it Spurned*". Should she wish "hard copies" of any documents on the website or referred-to therein, they will be sent without delay.

As for a blank copy of the Senate Judiciary Committee questionnaire, if you give me a fax number I will fax you the copy that I obtained from the Committee in January 2003. Let me know if you want it. Otherwise, contact the Committee directly. The phone number is 202-224-5225.

Elena Ruth Sassower

Tel: 914-421-1200

[Please NOTE: my personal professional e-mail is judgewatchers@aol.com]

P.S. Please draw the Professor's attention to the additions to the homepage and "Paper Trail" since my May 4th memo to her & other scholars. These include:

- (1) my two Letters to the Editor: in Roll Call (May 10th) and the New York Law Journal (May 19th);
- (2) my May 11th and May 20th story proposals to The New York Times and Washington Post;
- (3) my May 27th story proposal to Roll Call, Washington Post, Legal Times, & New York Law Journal;
- (4) my May 28th memo to Senate Judiciary Committee Hatch, Ranking Member Leahy, NY Home-State Senators Schumer & Clinton, and Senator Chambliss; and
- (5) my June 8th and June 9th memos to Ralph Nader & "public interest", "judicial monitoring" organizations.

Thank you.
