Subject: Advancing Scholarship on Issues of Oversight, Ethics, Accountability -- including as relates to the NYS Attorney General

Dear Professor Feldman,

I heard you speak at the November 29, 2012 forum on the New York Constitution at the Rockefeller Institute. I don't recall if we met at that time, however, I would very much like to speak with you, as soon as possible, about the important areas of your expertise about which you teach at John Jay College of Criminal Justice: "Oversight & Investigation" and "Ethics & Accountability".

Our non-partisan, non-profit citizens organization has a gold-mine of primary-source documentary evidence to furnish you to advance your scholarship – including as relates to the New York State Attorney General.

Thank you.
