Subject: Re: [ReblawDirectors] "No More 'High-Tech Lynchings:' Reformingthe Judicial Appointment Process" -- Request to be Included as a PanelParticipant

Dear Ms. Sassower-

Thank you for your request and for the helpful information. We have forwarded your letter to the student who is organizing the panel on judicial confirmation since all Reblaw panels are organized by students other than conference directors. At this point, the panel organizer has likely already confirmed his panelists, but he may be in touch to talk further based on your offer.

We would

also encourage you or someone from your organization to attend the conference, whether as panelist or participant, to share your experiences with others in attendance

Thanks again.
