ATT: Hayden Roberts, Office Manager

Dear Mr. Roberts:

Per our conversation a short while ago, I enclose a copy of our advertisement that appeared on the Op-Ed page of the October 26, 1994 New York Times, thereafter reprinted in the November 1, 1994 New York Law Journal.

Also enclosed is a copy of the mailing we have been sending out in response to the avalanche of letters, faxes, phone calls, and e-mail messages that have been coming in.

We would most appreciate your bringing the above to Mr. Nader's attention--as well as the materials we transmitted to Mr. Nader under our August 2nd coverletter.

Those materials, documenting the failure of the federal judicial screening process--and the complicity of, and cover-up by, government leaders and the organized bar--represent an illustrative work-product of our group.

Since our August 2nd letter to Mr. Nader--in which we asked him to "be good enough to meet with us and give us the benefit of [his] guidance and support in developing our organization", the Center for Judicial Accountability has become incorporated. We are now in the process of putting together a Board of Directors. Our first and immediate choice for membership on our Board is Mr. Nader.

We would be greatly honored if Mr. Nader would become a member of the Center for Judicial Accountability's Board of Directors and would be grateful for his assistance in locating other individuals of stature, integrity, and courage to serve on the Board and participate in making the Center's goals a reality. Those goals are set forth in the enclosed "Statement of Purposes", taken from our Certificate of Incorporation.

Mr. Roberts

Of course, we are ready to come to Washington to meet with Mr. Nader for that purpose. Additionally, we invite Mr. Nader to see our headquarters in White Plains, New York on his next visit to the New York metropolitan area.

Yours for a quality judiciary,

ELENA RUTH SASSOWER, Coordinator
