Ms. Doris Sassower

Dear Ms. Sassower:

On behalf of Governor Cuomo I have been asked to respond to your recent correspondence seeking the appointment of a special prosecutor.

As you know, the Special Prosecutor's Review Committee has already reviewed your allegations and found no basis to support the appointment of a special prosecutor. We have carefully reviewed your recent letter of October 24, 1991, and concluded that no further review is required.

Thank you for writing.

Very truly yours,
