MESSAGE:

As discussed, we are stunned and angry not to have been notified as to the hearings reported in yesterday's Law Journal. Your office was fully aware of the fact that we have first-hand personal knowledge of the subject matter of those hearings--to which we have devoted more than two years pro bono work.

Please refer the enclosed to Chairman Koppell's attention. We would also appreciate if you would access copies of our correspondence and court papers relative to Castracan v. Colavita and Sady v. Murphy cases--which we have regularly sent to the Assemblyman--for review by him.

We will arrange to have the files on the Castracan and Sady cases duplicated for transmittal and will speak with you next week relative thereto.
