Dear Ken,

Before furnishing your fellow journalists with the below info – and with further incriminating info about the State Board of Elections' criminal referrals to Albany Co. D.A. Soares, uninvestigated by him – please let me hear from you as to whether you want the LEAD.

Thanks.

**Subject:** Conflict of Interest: Your Important August 5th Article -- & the Oct 28th hearing of the Commission to Investigate Public Corruption

Dear Ken,

Following up our brief conversation yesterday afternoon, here again are CJA's Nov 8<sup>th</sup> FOIL request to the State Board of Elections & Nov 13<sup>th</sup> letter to Albany County D.A. Soares – to which – because they each rely on your Aug. 5<sup>th</sup> article "*Members of Cuomo's anti-corruption panel failed to pursue 1,500 criminal referrals by the Board of Elections*", you are the SOLE identified member of the press indicated as a recipient.

The State Board of Elections is "low-hanging fruit" – and your Aug 5<sup>th</sup> letter pointed to what is higher-up on the tree: the district attorneys. Where is the Commission's scrutiny about how the district attorneys operate with respect to complaints and referrals of Election Law and other violations? And how about those higher up on the tree – the Senate and Assembly Election Law Committees, the Division of Budget, the Governor, the Attorney General, etc.?

By the way, if you watch the video of the Commission's Oct 28<sup>th</sup> hearing, there are two points where comment is heard from the audience – both mine. Both hinted to the Commission that the dysfunction/corruption of official duties is NOT solely at the Board of Elections – and that the Commission should be expanding its inquiry:

at 1:21 mins, I say "Why haven't the committees of the legislature been asking these questions. They have Election Law committees, the Assembly and Senate both. Where have their hearings been?"

at 2:28 mins, I say, "Do the D.A.s?..."

Indeed, immediately upon the conclusion of the Oct. 28<sup>th</sup> hearing, I rushed forward to identify that the Commission's interrogation of the Board was deficient, that I had requested to testify, in writing, prior to the hearing, and that I was reiterating that request now. The Commission's response: to simply ignore me, with no inquiry by even a single Commissioner about what might have been deficient. Ken, your journalism should be the start of such expose – beginning with the Commission's failure to raise a single question as to the criminal referrals featured in your important Aug. 5<sup>th</sup> article – and the absence of D.A. Soares from the hearing.

Please call me so that I can give you further insight into the Oct. 28<sup>th</sup> hearing – as there are serious and substantial questions that must be raised about it. Meantime, here, additionally, are our Nov 12<sup>th</sup> FOIL requests to the Office of the Budget, Senate, & Assembly.

Thank you.
