TO: Esteban Maccera, Legislative Director to Senator David Carlucci

It is concerning that notwithstanding my below February 7th e-mail to Barbara O'Neill, Senior Counsel to the Independent Democratic Conference, you were unaware of my testimony at the Legislature's January 30th and January 31st budget hearings and of my February 6th letter to leadership— germane to Senator Carlucci's membership on the Senate Committee on Local Government, the Senate Committee on Investigations and Government Operations, and, of course, the Senate Finance Committee.

In the event Ms. O'Neill did not forward the e-mail to "each and every member of the Independent Democratic Conference", as I had requested her to do, I would appreciate if you would do so. The appropriateness of this will be immediately evident upon your reviewing my February 6th letter to leadership and the videos of my January 30th and 31st testimony. All are accessible from CJA's website, www.judgewatch.org, via the prominent center link entitled "2017 Legislative Session". It is there that I will also post the misconduct/fraud complaint I will be filing tomorrow with each of the nine members of the Senate Committee on Ethics and Internal Governance – Senator Carlucci, among them.

I am available to answer questions, including under oath, to assist Senator Carlucci in doing his duty and showing leadership. It is an EASY lift to clean up the dysfunction and corruption that plagues Albany. As I stated in testifying on January 30th, the clean-up requires legislative rules reform and putting the state budget back on the constitutional track and in compliance with statutory and legislative rule safeguards.

Thank you.

TO: Barbara O'Neill, Senior Counsel to the Independent Democratic Conference

As discussed, because Senator Savino is co-chair of the Senate Codes Committee AND vice-chair of the Senate Finance Committee, she is an indicated recipient of the attached letter, e-mailed to her generic Senate address yesterday.

Please be sure that it is furnished to her – as well as to each and every member of the Independent Democratic Conference. All must view the VIDEOS of my January 30th and January 31st testimony at the Legislature’s budget hearings on “Local Government Officials/General Government” and “Public Protection” – and examine CJA’s citizen-taxpayer action laying out the unconstitutionality, statutory violations, and violations of Senate and Assembly rules with respect to the legislative budget, judiciary budget, and executive budget.

I am available to answer questions – and to give further testimony, under oath.

Appropriate, responsive action is ESSENTIAL – as the violations of prior budget cycles are REPEATING.

Thank you.
