Dear Mike:

Following up our lengthy conversation yesterday and today, I enclose a "hard copy" of our June 28, 1996 letter to Chairman Hatch, calling for a moratorium of all judicial nominations pending an official investigation.

Exhibit "F" thereto is our May 27, 1996 letter to Chairman Hatch concerning the ABA's Role in Judicial Nominations, together with our October 31, 1995 letter to the ABA.

Also enclosed are all the documents which our May 27th letter transmitted to Chairman Hatch. These include our 1992 Critique of the federal judicial screening process and supporting Compendium, as well as our three Correspondence Compendia.

Now, let's stop the process.

Yours for a quality judiciary,

ELENA RUTH SASSOWER, Coordinator
