

Dear Ms. Reed

7/11/00

Following up on conversation on
Saturday after the American Judicature
Society's program on judicial evaluation.
Transmitted herewith is the
verified petition in the Article 78
proceeding, E. R. Sassone v. Commission
which gives an inside view of the
corruption of not only the NYS
Commission on Judicial Conduct, but
of the Commission on Judicial
Nominations.

I look forward to meeting with
you + Steven Zeidman, after you
each have reviewed the petition.
