MESSAGE:

Our June 2nd letter to Senate Majority Leader Mitchell transmitted to him our May 26th letter to City Bar President Feerick--which you received via fax last week.

From hereon in, the May 26th letter should be considered an integral part of our Law Day submission--representing, as it does, a critical update.

The excerpt of your report was fabulous--and gives us the taste for more. Congratulations on a job well done!

P.S. I left a message earlier today with Melissa, inter alia, our director (my mom) wishes to speak with you directly. Please return our call ASAP.

P.S.(2) We made contact with New Yorkers for Judicial Integrity & Justice and are now swapping materials through the mail. Thanks.
