Dear Ms. Sassower:

I have taken a look at the material you sent to me, as well as to others, by priority mail on March 11, and I regret that Public Citizen Litigation Group cannot assist you in this matter. Although we are sympathetic in general to the concerns raised by your case, our limited resources require us to be extremely careful in selecting those needs in which we will provide assistance. In my view, while I certainly understand your unhappiness with the way you have been treated, I have serious reservations that your case presents the opportunity to seek a ruling that would broadly apply to others. I have taken the liberty of returning your materials to you.

Sincerely,

David C. Vladeck
