Judge Brian Holeman
Superior Court of the District of Columbia

RE: June 28, 2004 sentencing: "Disruption of Congress"
United States of America v. Elena Ruth Sassower, M-4113-03

Dear Judge Holeman:

According to page 12 of the D.C. Court Services' presentence report:

"At the defendant's request, a voice message was left for Senator Saxby Chambliss regarding the Instant Offense. If a return message is received, the senator's statement will be forwarded to chambers for sentencing."

Has any statement been forwarded to you from Senator Chambliss, presiding chairman of the Senate Judiciary Committee's May 22, 2003 "hearing" to confirm New York Court of Appeals Judge Richard C. Wesley to the Second Circuit Court of Appeals and purported to be the "complainant" by the underlying prosecution documents? If so, please fax it to me as soon as possible so that I might incorporate it into my written comment to the presentence report.

Thank you.
