Dear Mark,

Thank you again for doing your part to bring the D.C. Chapter of the National Lawyers Guild on board this important, law-making case.

For your convenience -- and that of Mr. Katz or whoever else you may wish to forward this to -- I have extracted and am herewith attaching the 2nd and 3rd issues of my appellant's brief relating to the venue provision of the "disruption of Congress" statute and the unconstitutionality of the "disruption of Congress" statute, *as written and as applied*.  issues-disruption-of-congress.doc (98KB)

For your further convenience, I will begin duplicating a full copy of the appeal papers (including the 3-volume 1784-page appendix) so that the Guild can have a "hard copy" for its reference.

Also forwarded herewith is Mr. Driskell's e-mail to me.

Again thank you.

Elena

Ms. Sassower:

I raised your case at the local National Lawyers Guild Board Meeting last night. After listening to Mark's statement about the case the board is now attempting to identify an attorney to draft a brief on your behalf. I will contact you with more information when it is available.
