**TO: James Ranney, News Director
WNED-AM Radio**

This follows up my voice mail message for you a short time ago, followed by my phone call to the WNED-AM radio newsroom and my conversation with Mike Desmond.

Kindly put me in contact with ALL journalists who will be on the panel questioning Mr. Spitzer and Mr. Faso in tomorrow's gubernatorial debate that you will be moderating so that I might alert them to the documentary evidence of Mr. Spitzer's corruption in office -- covered up by Mr. Faso. [SEE CJA's June 26, 2006 letter to Mr. Faso, posted on our website, www.judgewatch.org, accessible via the sidebar panel "Elections 2006: Informing the Voters".]

Forwarded herewith is my e-mail to Buffalo News political reporter Robert McCarthy, who stated to me that he will be one of the journalists on tomorrow's panel and that you would be able to give me the names of the other panelists.

Feel free to forward this e-mail to them, with my invitation that they contact me directly.

I will make myself available throughout today and tomorrow to assist you and them.

Thank you.

Dear Mr. McCarthy,

Following up our brief telephone conversation at 1:30 this afternoon, attached is CJA's August 28th coversheet to you and Editorial Page Editor Stephen Bell, transmitting (by fax & e-mail) CJA's August 25th memo -- which you stated you knew nothing about.

As a member of the panel questioning the gubernatorial candidates at tomorrow evening's debate in Buffalo, you have a unique opportunity to transform the political landscape by your questioning of Mr. Spitzer and Mr. Faso, based on CJA's June 26, 2006 letter to Mr. Faso. That letter, with its certified mail/rrr, fax-and e-mail receipts establishing transmittal to Mr. Faso's campaign headquarters, is posted on CJA's website, www.judgwidth.org, accessible *via* the sidebar panel "Elections 2006: Informing the Voters". For your convenience, these are attached.

The June 26th letter is an election-altering, primary-source document, reflecting on Mr. Faso's unfitness by his failure to respond to it. This, because the letter set forth the documentary evidence of Mr. Spitzer's corruption in office as attorney general -- virtually all posted on our website. Indeed, our "Elections 2006" webpage has two links that will take you directly to this documentary evidence. These are "Press Protectionism of A.G. Spitzer" and "Paper Trail of A.G. Spitzer's Corruption in Office."

Just as we offered Mr. Faso hard copies of this evidence so that he could more easily verify that it is not only dispositive of Mr. Spitzer's unfitness for any office of public trust, but requires that he be criminally prosecuted for corruption, we also offer hard copies to you. I would point out that from 1999 onward we filed fact-specific, fully-documented ethics and criminal complaints against Mr. Spitzer with the New York State Ethics Commission and the U.S. Attorney for the Eastern District of New York, which have not been dismissed and remain pending.

I would be pleased to review with you CJA's June 26, 2006 letter, the referred-to documentary evidence, and to assist you in developing appropriate questions for BOTH Mr. Spitzer and Mr. Faso based thereon. Call me anytime today or tomorrow and I will "drop everything" to do so.
