### TO: New York State Deputy Counsel Cartagena

Thank you for the generous amount of time you gave to our phone conversation – 1-1/4 hours – not only in support of my FOIL request for the rules of the “state committees” of the eight recognized political parties, which the Election Law requires be filed with the State Board of Elections -- and which I respectfully request the Board of Elections fulfil by posting on its website – but in support of my complaint of Election Law violations and fraud by the Independence, Working Families, and Reform Parties by their already-announced endorsements/designations of statewide candidates – which I have today orally initiated with you. My already-drafted e-mails to those three parties will be sent to them tomorrow – and I will forward them to you in support of my complaint.

Thank you.
