MESSAGE:

Dear Ms. Dolgoff:

We find it disappointing--to say the least--that we have still heard nothing from anyone connected with Senator Moynihan's office regarding our law day submission and reiterate what we set forth in our previous fax--with added emphasis:

"We expect Senator Moynihan to be a spokesman for the important issues bearing upon the integrity of the screening process, documented by the Ninth Judicial Committee and to express some pride at what has been accomplished by a citizens' group from a state which he represents."

If Senator Moynihan does not regard our submission worthy of private--let alone public--acknowledgement, we would appreciate its return ASAP so that we can pass it on to others willing to show leadership on the issues.
