Dear Ms. Fischer:

In the event that my e-mail to you failed to properly attach my September 21st letter to Mr. Belohlavek, it is – hopefully – now attached.

Apologies for any inconvenience.

Also, it would be more efficient if you contacted me *via* my own e-mail address: judgewatchers@aol.com – which is the e-mail address I left with the secretary who picked up the telephone yesterday morning when I called the Albany phone number listed in yesterday's New York Law Journal (518-473-7190).
