RE: The Appointment Process by which White Plains Gets its City Court Judges:  
On-the-Bench Corruption of White Plains City Court Judge Brian Hansbury,  
Disqualifying Him from Reappointment upon Expiration of His Term

Enclosed is my yesterday's letter to White Plains Corporation Counsel Edward Dunphy, to which you are indicated recipients.

As reflected therein (at p. 4), I am requesting to appear before the Common Council in opposition to Judge Hansbury's reappointment to the White Plains City Court in the event the Judicial Review Committee fails to interview me, fails to refer Judge Hansbury to disciplinary and criminal authorities, and approves him for reappointment. In any event, I request to be notified of the date of the Common Council's meeting to discuss and vote on nominations to the White Plains City Court.

Thank you.

RE: The Appointment Process by which White Plains Gets its City Court Judges  
& FOIL Appeal:

On-the-Bench Corruption of White Plains City Court Judge Brian Hansbury,  
Disqualifying Him from Reappointment upon Expiration of His Term

Dear Mr. Dunphy:

This follows up my visit to the Department of Law nearly a week ago, on Thursday, April 23rd, hoping to speak with you about your April 3, 2009 letter. Your secretary, Wendy Kirkpatrick, after going to your office, told me you were busy preparing for a Common Council meeting, but took notes as to the reason for my visit, which I stated I would formalize in a letter. This is that letter.

Your April 3<sup>rd</sup> letter to me purports to respond to my March 20<sup>th</sup> letter to you – without indicating that you were furnishing copies to the Mayor and members of the Common Council, each indicated recipients of my March 20<sup>th</sup> letter. If you did furnish them with copies of your April 3<sup>rd</sup> letter, they surely must be confounded by your second sentence:

“If you wish to provide any documents you would like the Judicial Review Committee to consider, kindly forward a copy of those documents to my office and I will present them to the screening committee.”

---

\* Center for Judicial Accountability, Inc. (CJA) is a national, non-partisan, non-profit citizens' organization, working to ensure that the processes of judicial selection and discipline are effective and meaningful. Its administrative/corporate office is in White Plains, New York.

Such sentence makes no sense in light of my March 23<sup>rd</sup> letter to the Mayor, to which the Common Council members – and you – were indicated recipients. That March 23<sup>rd</sup> letter accompanied my hand-delivery of the March 20<sup>th</sup> letter. It could not have been clearer in stating, on its first page, that it was transmitting:

“the referred-to substantiating casefile evidence of Judge Brian Hansbury’s on-the-bench corruption, disqualifying him for reappointment as White Plains City Court Judge upon expiration of his term.” (March 23<sup>rd</sup> letter, 2<sup>nd</sup> sentence).

It then specified:

“Such transmitted evidence is a copy of the record of the landlord-tenant case, *John McFadden v. Elena Sassower*, #SP-1502/07, that Judge Hansbury had before him when he rendered his October 11, 2007 and January 29, 2008 decisions & orders therein. These two decisions & orders – each judicial frauds – are each the subject of appeals I have perfected, presently pending before the Appellate Term of the Appellate Division, Second Department. Copies of the appeal briefs are also transmitted as they conveniently summarize the record and establish that my adversary has been unable to defend on appeal what Judge Hansbury did, either factually or legally.” (March 23<sup>rd</sup> letter, 2<sup>nd</sup> paragraph).

For your convenience, enclosed is a copy of the first page of my March 23<sup>rd</sup> letter to the Mayor, bearing your Law Department’s receipt stamp, as well as a copy of the first page of my March 20<sup>th</sup> letter to you, similarly receipt-stamped on March 23<sup>rd</sup> by your Law Department.<sup>1</sup> Also enclosed is a copy of your April 3<sup>rd</sup> letter, with its envelope bearing an April 6<sup>th</sup> postage meter stamp.

Conspicuously, your April 3<sup>rd</sup> letter makes no reference to my hand-delivered March 23<sup>rd</sup> letter. Nor does it disclose that on April 2<sup>nd</sup>, the Mayor gave written notice to the Common Council of his appointment of the members of the Judicial Review Committee, pursuant to Section 2-5-15 of the Municipal Code of the City of White Plains. Presumably, you drafted the Mayor’s April 2<sup>nd</sup> notice to the Common Council<sup>2</sup> – and surely the Mayor consulted with you before making his Committee appointments of “attorneys, all prominent and well qualified members of the Bar of the State of New York”. Isn’t this true?

---

<sup>1</sup> These receipt stamps are signed by Law Department attorney Elizabeth Mirisola, to whom I displayed the voluminous casefile evidence I was transmitting to the Mayor.

<sup>2</sup> I obtained a copy of this April 2<sup>nd</sup> notice from your Chief Deputy Corporation Counsel, Carol L. Van Scoyoc, whose April 13<sup>th</sup> letter to me transmitted documents responsive to the FOIL requests itemized by my March 20<sup>th</sup> letter [See pages 4-5 herein].

Indeed, as your April 3<sup>rd</sup> letter identifies that you are “liaison/counsel” to the Judicial Review Committee, it is hard to believe that immediately upon the Mayor’s receipt of my March 23<sup>rd</sup> letter, he did not discuss it with you and rely on you to review the casefile evidence it transmitted.

So there is no doubt on the subject – and in light of the statement in your April 3<sup>rd</sup> letter that you are “not in a position” to interview me – please specify your duties as the Committee’s “liaison/counsel” and the date on which you reviewed the casefile transmitted by my March 23<sup>rd</sup> letter to the Mayor.

The most cursory review of the transmitted casefile, especially my November 9, 2007 order to show cause for Judge Hansbury’s disqualification and his January 29, 2008 decision & order, would have confirmed what is clear from both my March 20<sup>th</sup> and March 23<sup>rd</sup> letters: that at issue are not my “concerns” regarding Judge Hansbury – a word your April 3<sup>rd</sup> letter uses twice – but **irrefutable documentary proof of Judge Hansbury’s “on-the-bench corruption”, for which your duty, as White Plains Corporation Counsel, is to refer him to disciplinary and criminal authorities as a danger to our justice system and to The People of White Plains and beyond.** This duty is additionally compelled because – as highlighted by my March 20<sup>th</sup> letter (at p. 3) – investigation and prosecution by disciplinary and criminal authorities “will establish the collusive, if not directing role of White Plains Senior Court Judge Jo Ann Friia in Judge Hansbury’s brazen abuse of office and betrayal of the public trust”. (underlining in original letter)<sup>3</sup>

There are only TWO WEEKS left until Judge Hansbury’s term expires. Yet, I have heard nothing from the Judicial Review Committee. Did you send each committee member a copy of my March 20<sup>th</sup> letter, as your April 3<sup>rd</sup> letter stated you would? Did you also send them my elaborating March 23<sup>rd</sup> letter? If so, when?

Your April 3<sup>rd</sup> letter also stated that you would pass on to the Committee’s chair my request to appear before the Committee. Did you do so? – and who is the Committee chair? By now, the Judicial Review Committee should not only have “established a schedule of meeting dates”, but met pursuant thereto. However, and despite the assurance in your letter that “[w]hen such a timetable becomes available, that information will be provided”, I have received no timetable or scheduling information.

---

<sup>3</sup> My March 23<sup>rd</sup> letter noted (at p. 2) that I was perfecting appeals chronicling Judge Friia’s collusive role in Judge Hansbury’s corruption. I have since perfected these appeals by my April 17, 2009 appellant’s brief in *John McFadden v. Doris L. Sassower and Elena Sassower*, #SP-651/89 and #SP-2008-1474. The brief is posted on CJA’s website, [www.judgewatch.org](http://www.judgewatch.org), via the sidebar panel “Judicial Selection-State-NY”, which brings up a menu linking to the webpage entitled “Judicial Appointment Process to White Plains City Court – Now Unfolding!”, from which the appellate papers are accessible.

Should the Judicial Review Committee fail to interview me, fail to refer Judge Hansbury to disciplinary and criminal authorities, and approve him for reappointment<sup>4</sup>, I request to appear before the Common Council in opposition. I so-informed Ms. Kirkpatrick and hereby reiterate and formalize that request.

In any event, please notify me of the date that the Common Council will be meeting to discuss and vote on nominations to the White Plains City Court – and ensure that the copy of the casefile transmitted by my March 23<sup>rd</sup> letter is brought to the meeting.

Finally, for the benefit of the Mayor and members of the Common Council to whom I am providing copies of this letter, I take this opportunity to note that on the same April 3<sup>rd</sup> date of your letter, your Chief Deputy Corporation Counsel, Carol L. Van Scoyoc, wrote me a letter. In it, she advised that upon my payment of \$8.25, she would forward me 33 pages responsive to the FOIL requests itemized by my March 20<sup>th</sup> letter (at pp. 4-5).<sup>5</sup> Among the documents Ms. Van Scoyoc thereafter sent me under an April 13<sup>th</sup> coverletter: Section 2-5-15 of the White Plains Municipal Code, entitled “Judicial review committee”, whose subsection (f) reads:

“The committee may adopt such procedures and policies as it may deem appropriate to its functions, including standards for evaluating the best qualified candidates for appointment.”

---

<sup>4</sup> Rule 8.2 of New York’s new Rules of Professional Conduct, entitled “Judicial Officers and Candidates”, and effective as of April 1,2009, states:

“(a) A lawyer shall not knowingly make a false statement of fact concerning the qualifications, conduct or integrity of a judge or other adjudicatory officer or of a candidate for election or appointment to judicial office.”

The December 16, 2008 press release of the Unified Court System, entitled “New Attorney Rules of Professional Conduct Announced”, highlights as “noteworthy” that:

“Rule 8.2 expands the prohibition against false statements of fact regarding ‘qualifications’ of judges or judicial candidates to include false statements about ‘conduct and integrity.’”

Additionally, Rule 8.4 of the Rules of Professional Conduct, entitled “Misconduct”, proscribes a lawyer from:

“(f) knowingly assist[ing] a judge or judicial officer in conduct that is a violation of applicable rules of judicial conduct or other law”.

<sup>5</sup> Ms. Van Scoyoc’s response to the FOIL requests of my March 20<sup>th</sup> letter, as likewise the response of White Plains Clerk Ann McPherson, is posted on CJA’s webpage “Judicial Appointment Process to White Plains City Court – *Now Unfolding!*” [See footnote 3, *supra*].

Ms. Van Scoyoc did not enclose any “procedures and policies” adopted by the Committee “including standards for evaluating the best qualified candidates for appointment”. Has the Committee not “deem[ed it] appropriate” to adopt any?

According to Ms. Van Scoyoc’s April 13<sup>th</sup> letter, the Law Department is “not in possession of any documents soliciting information and comment on Judge Hansbury’s on-the-job performance as White Plains City Court Judge”. She also enclosed but a single notice announcing the upcoming White Plains City Court vacancy (in the February 9, 2009 New York Law Journal) and further stated that there are no “‘publicly-available’ documents” as to the number of candidates, excluding Judge Hansbury, who have applied to fill the vacancy. Is this correct?

As Ms. Van Scoyoc’s letter concludes by informing me of “[my] right to appeal [her] determination to the Corporation Counsel, Edward P. Dunphy, the City of White Plains’ designated Records Access Officer”, please consider the foregoing three paragraphs as my appeal.

To assist you in answering this letter, I have underlined those portions to which I am requesting your response.

Should you wish to meet with me tomorrow when I hand-deliver the original of this letter to your office – with copies hand-delivered for the Mayor and members of the Common Council – please advise as to what time would be most convenient and I will arrange my schedule accordingly.

Thank you.

Yours for a quality judiciary,

RE: The Appointment Process by which White Plains Gets its City Court Judges: On-the-Bench Corruption of White Plains City Court Judge Brian Hansbury, Disqualifying Him from Reappointment upon Expiration of His Term

Dear Mayor Delfino:

Transmitted herewith is my self-explanatory March 20, 2009 letter to Corporation Counsel Edward Dunphy, to which you and the members of the White Plains Common Council are indicated recipients. Also transmitted is the referred-to substantiating casefile evidence of Judge Brian Hansbury's on-the-bench corruption, disqualifying him for reappointment as White Plains City Court Judge upon expiration of his term.

Such transmitted evidence is a copy of the record of the landlord-tenant case, *John McFadden v. Elena Sassower*, #SP-1502/07, that Judge Hansbury had before him when he rendered his October 11, 2007 and January 29, 2008 decisions & orders therein. These two decisions & orders – each judicial frauds – are each the subject of appeals I have perfected, presently pending before the Appellate Term of the Appellate Division, Second Department. Copies of the appeal briefs are also transmitted as they conveniently summarize the record and establish that my adversary has been unable to defend on appeal what Judge Hansbury did, either factually or legally.

As suggested by my letter to Mr. Dunphy (p. 2), I recommend that review begin with my November 9, 2007 order to show cause. It presented a 30-page analysis of Judge Hansbury's

RE: The Appointment Process by which White Plains Gets its City Court Judges: On-the-Bench Corruption of White Plains City Court Judge Brian Hansbury, Disqualifying Him from Reappointment upon Expiration of His Term

Dear Mr. Dunphy:

On Monday, March 16<sup>th</sup>, the Mayor's Office advised me that you are the contact person for the White Plains Judicial Screening Committee which reviews the qualifications of candidates seeking appointment as White Plains City Court Judges. Mayor Delfino himself confirmed that City Court Judge Brian Hansbury, whose term is expiring, has applied to be reappointed and that I should provide you with any relevant information and documents. Yet despite the notice I gave you on March 16<sup>th</sup> when I visited your office at about 3:00 p.m. and – in your absence – spoke with your legal assistant, Heather<sup>1</sup>, about casefile evidence establishing Judge Hansbury's on-the-bench corruption for review by the Judicial Screening Committee, neither you nor anyone else from the Committee has telephoned me for further details or to request the substantiating casefiles.

On Tuesday, March 17<sup>th</sup>, after waiting all day for a call from you, I telephoned your office at about 4:40 p.m. Heather answered and stated that you had instructed her that if I called she should tell me that if I wanted the date on which Judge Hansbury's term expires, I would have to make a FOIL request for it. Likewise, she stated that my requests for information as to the
