More than eight months ago, by the above-attached August 13, 2018 letter, sent by the below-email, I requested your help in “Achieving Our Shared Goal of an Accountable & Transparent State Budget Process & Budget” through your *amicus curiae* and other assistance for the perfected appeal of CJA’s ground-breaking citizen-taxpayer action – then before the Appellate Division, Third Department.

Although I furnished each of you with a hard copy of the appeal brief and three-volume record on appeal, so that you could each more easily verify that the People of the State of New York, on whose behalf we brought the citizen-taxpayer action, have an entitlement to summary judgment on all ten causes of action, including to declarations that “three men in a room” budget deal-making and the Legislature’s closed-door party conferences, substituting for open legislative committee meetings are unconstitutional, not one of you responded, affirmatively. As a result – and as my August 13, 2018 letter had predicted – the appeal was “thrown” by a double-whammy of litigation fraud by the Attorney General and a fraudulent December 27, 2018 Appellate Division decision – a state of affairs now before the Court of Appeals on an appeal of right on the issues of constitutional construction directly involved.

Once again, I am requesting your *amicus curiae* and other assistance – now, in support of the appeal of right to our state’s highest court. All the facts and law pertaining to the issues of constitutional construction directly involved are set forth by my March 26, 2019 letter to the Court of Appeals – and reinforced by my April 11, 2019 letter, which, in addition to demonstrating the fraud of the Attorney General’s opposition to the appeal of right, furnishes further facts that should especially interest you (at pp. 13-15).

Although CJA’s website, [www.judgewatch.org](http://www.judgewatch.org), posts these two letters and the entirety of the litigation record, accessible from the prominent homepage link: “CJA’s Citizen-Taxpayer Actions to End NYS’ Corrupt Budget ‘Process’ and Unconstitutional ‘Three-Men-in-a-Room’ Governance”, the website is currently down. Hopefully, it will be restored by tomorrow. As time is of the essence, I will send you, in successive e-mails:

- (1) our February 26, 2019 preliminary appeal statement, annexing our January 26, 2019 notice of appeal and the Appellate Division’s December 27, 2018 Appellate Division decision;
- (2) my March 26, 2019 letter to the Court of Appeals in support of the appeal of right;
- (3) the Attorney General’s March 26, 2019 letter to the Court of Appeals opposing the appeal of right; and
- (4) my April 11, 2019 letter to the Court of Appeals, responding to the Attorney General’s opposition.

Suffice to note that my March 26, 2019 letter concludes, *without exaggeration*, as follows:

“What is before the Court, on this appeal of right, is catastrophic. Gone is the constitutional design of separation of executive and legislative powers – replaced by collusion of powers that has undone our State Constitution. And more than the budget is at issue. It is the very governance of this State, as the budget has become a pass-through for policy having nothing to do with the budget...” (at p. 21, underlining in the original).

I am available to answer your questions – and am eager to discuss the groundbreaking constitutional, legal, and evidentiary issues with you. Please let me hear from you, following your review – including as to how you can assist us with outreach to constitutional scholars, the bar associations, the media, other advocacy organizations, etc.

Finally, as none of you returned to me the three-volume record on appeal and appeal brief that I had furnished you last August, I assume you recognized that these documents were not only expensive to reproduce, but valuable by their content. If, however, you are not going to assist in any way, I would appreciate their return to me, so that I can make them available to others to whom I am turning for assistance.

Thank you.

**Subject: Achieving our Shared Goal of an Accountable & Transparent State Budget Process & Budget -- Request for Your Amicus Curiae Participation & Other Assistance for Perfected Appeal -- Citizen-Taxpayer Action**

Following up my phone conversations and messages for you last week, requesting that, individually or collectively, your organizations file an *amicus curiae* brief in the perfected appeal of CJA's second citizen-taxpayer action pertaining to the state budget, attached is my letter to you of today's date, being mailed with our appellants' brief and three-volume reproduced record on appeal. The webpage on which the brief and three-volume record are posted is here: <http://www.judgewatch.org/web-pages/searching-nys/budget/citizen-taxpayer-action/2nd/appeal/7-4-18-appellants-brief.htm>.

Kindly confirm that my letter will be promptly furnished to all those responsible for making *amicus curiae* decisions at your organizations – and the time frame within which I can expect a response, hopefully, positive and enthusiastic.

Thank you.
