Dear Ms. Schwabe,

Thank you. Although I am a skilled *pro se*, I can surely benefit from legal assistance and guidance.

Please keep looking for lawyers to whom to refer me with respect to my public interest lawsuit vs The New York Times. It seems extraordinary, to say the least, that no lawyers can be found within the City Bar's referral network who would be willing to evaluate a lawsuit for libel and journalistic fraud against The Times.

Again, thank you.

Elena Sassower
