Dear Ms. Sassower:

This letter concerns your correspondence dated June 22, 2016, which pursuant to FOIL, requested:

FOIL/RECORDS REQUEST: New York State Law Revision
Commission

- (1) records identifying "the amount appropriated for the commission" since 1990, including where, in the budget, such line-item appropriation can be found;
- (2) the Commission's annual reports to the Legislature since 1990.

The Executive Chamber does not possess the records you seek, but the New York State Division of Budget (DOB) may. I have forwarded your request to DOB for processing. That office will contact you directly concerning the results of its search for the records that you seek.

Very truly yours,
