Subject: NYC meeting, as discussed. Does Feb15th or 16th still work for you?

Dear Blair –

When we spoke at the February 5th budget hearing on “local government officials/general government”, you had asked me to send you an e-mail so that we could formalize a meeting together in New York City. This is that e-mail.

Does either Thursday or Friday of this week – February 15th or 16th -- still work for you? I will gladly take you to breakfast, lunch, or dinner – depending on the time! If not, what is your earliest next appointment?

By the way, my own testimony on the state budget – at the January 30th “public protection” budget hearing and at the February 5th “local government officials/general government” budget hearing, are accessible from CJA’s website, www.judgewatch.org, via the link “2018 Legislative Session”. Likewise my testimony at the February 2nd local forum on the state budget, sponsored by Westchester’s Assembly Delegation. I would appreciate if you would watch the three VIDEOS of my testimony. The direct link is here: <http://www.judgewatch.org/web-pages/searching-nys/2018-legislature/menu-2018-legislative-session.htm>.

Thanks.
