As requested.

There is no reference to “district attorney salaries and reimbursement to the counties.” in the green book.

TO: Stephanie Herrick/Legislative Director – Assemblyman William Barclay, ESQ.

Following up our phone conversation a short time ago, for which I thank you, this is to reiterate my request that Assembly Ways and Means Committee Ranking Member Barclay consider posting the minority’s Green Book/analysis of the budget.

In any event, I thank you for agreeing to supply me -- as you had in past years, while working for Assemblyman Oaks – with the pertinent pages of the Green Book pertaining to the Judiciary and Legislative budgets – and to the “public protection” section, particularly with respect to district attorney salaries and reimbursement to the counties.

Below is the e-mail I sent yesterday to Senate Finance Committee Ranking Member Seward – which I also sent to Assemblyman Barclay, in addition to Senator Krueger and Assemblywoman Weinstein – with a request for responses by Thursday, February 14th so that I might include same in the written testimony I hope to present.

Thank you.

Legislature and Judiciary

Legislature and Judiciary – A.2001

Legislature:

- \$230.8 million, \$4.6 million more than last year. This represents a 2% increase in spending. It should also be noted that this appropriation retains references to member allowances (Lulus) and appropriates a corresponding amount.

Judiciary:

- \$2.34 billion, \$76 million more than last year. This represents a 3.2% increase in spending.
