Dear Commissioner Jacobs,

Thank you for your prompt response, which I have just received. I would be happy to testify at the "general public comment hearing" at 4 p.m. Are all slots filled there, as well?

Please advise.

Thank you.

Elena Sassower

Dear Ms. Sassower,

I am sorry that you did not catch the public notice issued last week. As of now, we have filled all of the slots in the Expert Testimony portion of the hearing for Tuesday. I know that we are meeting again next week in Albany and holding hearings. I will discuss with the members of the Commission what they would like to do with opening up more time at either that hearing or other hearings for groups that missed this opportunity to provide expert testimony.
