“Subject: Actualizing the Name, Purpose, and Methodology of the Citizens' Committee for an Effective Constitution

This follows up my phone conversation on Friday, July 6th, with Assistant Publicist Jacob Taylor. As the website of the Citizens' Committee for an Effective Constitution does not indicate any e-mail addresses for the Committee, or for its Executive Director Benjamin Kallos, I have sent a letter of today's date pertaining to the above-indicated 'subject' to Mr. Kallos, via Mr. Strell, of Sunshine Sachs, who is indicated by the website as handling communications/press.

The letter is, additionally, posted on the Center for Judicial Accountability's website, www.judgewatch.org, accessible via the top panel 'Latest News', which features a hyperlink to our newly-created webpage 'Building for a People's Constitutional Convention' -- the first item of which is the letter with its four enclosures.

Please forward the letter & website information to Committee Founders Samuels, Kolb, and Benjamin, whose e-mail addresses are also not posted on the Committee's website.

Thank you.
