Re: Freedom of Information Law Request

Dear Ms. Sassower:

I received your email on July 27, 2020, wherein you requested to be provided with certain records pursuant to the Freedom of Information Law, and it is being processed. When the search of records is completed, you will be provided with a list of the items available to you and the cost (at twenty-five cents per page) of obtaining the requested material. Due to the broad and comprehensive search and the staffing limitations in the office due to the pandemic it is anticipated that an extended search and production time will be needed. It is anticipated that the processing of your request will take no more than sixty days from the date of this letter.

Respectfully yours,

By: _____
