Dear Ms. Sassower:

The New York State Ethics Commission ("Commission") has received your complaint, dated February 14, 1991, sent originally to the New York State Temporary State Commission on Local Government Ethics.

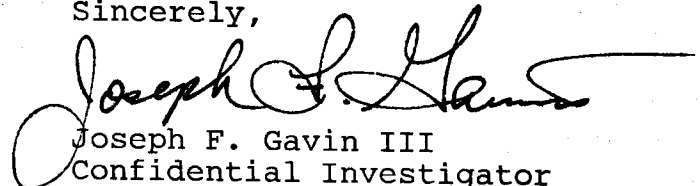

The Commission has statutory jurisdiction to act upon complaints that allege a violation of Public Officers Law §§ 73, 73-a or 74. These sections of the law restrict certain business and professional activities by State officers and employees, require the filing disclosure statements, and set standards regarding conflicts of interest.

The information will be reviewed by the investigative unit regarding the allegations you have made in the documentation provided to the Commission.

If the Commission can be of any further assistance please contact the Commission at 518-432-8266. Our new location at 39 Columbia Street, Albany, New York 12207.

The investigative unit is also enclosing a booklet regarding the Public Officers Law for your review.

Sincerely,

Joseph F. Gavin III
