**Subject:** 2016 D.A. RACES: CJA's October 14, 2016 conflict-of-interest/misconduct complaint vs D.A. Soares & NY's other district attorneys...

Dear Chris,

Thanks for your call back – and the time you gave to our conversation. This is an explosive story, encompassing many other explosive stories – each with HUGE political and other ramifications.

Everything is laid out in CJA's October 14, 2016 conflict-of-interest/misconduct complaint vs D.A. Soares and his collusive fellow district attorneys – with its accompanying exhibits, filed with the eight attorney disciplinary committees of New York's four judicial departments. For your convenience, the direct link to the webpage for the letter is here: <http://www.judgewatch.org/web-pages/searching-nys/budget/budget-2016-17/10-14-16-complaint-vs-soares-etc.htm>.

The direct link to CJA's webpage for "Making the 2016 District Attorney Elections Competitive" is here: <http://www.judgewatch.org/web-pages/searching-nys/budget/budget-2016-17/2016-da-elections.htm>.

I am available to help you, to the max, so that, by your journalism, we can do what is EASY to do: CLEAN-UP the public corruption infesting our state government. This is the province of the district attorneys: our "first-line-of defense" – and no district attorney is more important than the district attorney of Albany County because his jurisdiction is the Capitol.
