Subject: NOT YET REPORTED -- Resignation of Gov.'s appt'd Commissioner Johnson!!

Take a look at what is happening with the Commission on Legislative, Judicial & Executive Compensation. With little more than two weeks left until it dissolves with its issuance of its report on legislative and executive compensation, one of Gov Cuomo's appointees -- Commissioner Gary Johnson -- has resigned. His resignation letter is posted on Commission's website: <http://www.nyscommissiononcompensation.org/>. I have found no press report about this...

Subject: you are most welcome! -- RE: The 2016 Election for Erie Co. District Attorney: Testing the "public integrity" commitment & fitness of D.A. Candidates Flynn & Treanor

This is a MAJOR story, relevant to ALL 14 of NYS' D.A. races on next week's ballot -- all of them "sleepers" And that is just the beginning of where this electorally-explosive story leads -- as will be immediately apparent to you upon your examination of CJA's pending citizen-taxpayer action to END three-men-in-a-room governance & its fraudulently and unconstitutionally-procured Commission on Legislative, Judicial & Executive Compensation, which has been anything but "impartial" and "independent" of corrupting political forces: <http://www.judgewatch.org/web-pages/searching-nys/budget/citizen-taxpayer-action/2016/menu-2nd-citizen-taxpayer-action.htm>.

I will assist you, to the max, in taking the LEAD on this prize-winning story that will, at long last, bring honest, accountable government to the long-suffering People of the State of New York.

Thank you.
