MESSAGE:

Dear Ms. Mills:

Enclosed is a copy of the "Intelligencer" page from the June 22nd issue of New York magazine (p. 7). We hope the lead piece, "The Case of the Missing Cases", whets your interest since it is extracted from the critique we submitted to the Senate Judiciary Committee--a copy of which was passed on to you by Jim Rowley.

Based upon the documentary evidence our critique presents, we have called upon the ABA and City Bar to retract their favorable ratings of Mr. O'Rourke and have urged the Senate leadership to halt all pending judicial confirmations.

We trust that the significance of this story is evident to you. However, if you are not interested in following it up, we would appreciate your prompt return of our materials so that we can make them available to other news media.

Thank you.

Elena Ruth Sassower
