Marianne Sabato  
Gannett Westchester Newspapers

Dear Ms. Sabato:

This confirms my having placed a call to you today, at approximately 4:45 p.m.--after having waited in vain for a return call from Mr. McWhirter and/or the Night Editors.

In response to my specific questions, you informed me that you had received our yesterday's fax and had passed it on to an editor, who you identified as Carolyn Treadway.

You also told me that Mr. McWhirter was not in again today. I believe you also mentioned that you had left a message for him.

As I again stated, we expect a return call relative to Gannett's most recent distorted and defamatory story of May 7th.
