MESSAGE:

Dear Ms. Glusker:

Enclosed is a copy of the "Intelligencer" page from the June 22nd issue of New York magazine.

If the lead piece on that page, "The Case of the Missing Cases", is the kind of story that The American Lawyer would be interested in featuring--we can offer you quite a scoop--since it is based upon the critique we submitted to the Senate Judiciary Committee.

So that you can better estimate the significance of this story, I enclose a copy of our May 18th letter to Senate Majority Leader Mitchell.

*Elena Ruth Sassower*

P.S. We have also called upon the American Bar Association and the City Bar to retract their favorable ratings of Mr. O'Rourke's nomination--based upon the documentary evidence presented by our critique.
