Dear Mr. Judson:

I tried yesterday without success to reach you by telephone, intending to ask if I should send a copy of my April 18 letter about Castracan vs Colavita directly to the Westchester Section's Letters column. Not to waste time, I will do that on the chance that the editor has not yet seen it.

If you are the George Judson who went to Antioch College, and knew the Shannon sisters there, we have a mutual friend. Gabriel Shannon is my daughter in -law, married to my son Stephen. They are still happy in Portland, Oregon, and enjoying their three fascinating little girls.

Sincerely,

*Rachel Sady*
