Attached is a superseding letter -- mostly correcting typos and non-substantive changes. The only substantive changes are on the second page by the addition of the words "and criminally implicated the Governor" and by the identification that CJA's July 3, 2001 letter had been "submitted for the record of [Senator Schumer's] June 26, 2001 hearing on the role of ideology in judicial selection".

Apologies for any inconvenience.

For your convenience
enclosed is the already
e-mailed superseding letter.

Should you wish "hard copies"
of any and all documents posted
on CJA's website -- so as to
facilitate your evaluation of
the proposed examination of
Senator Schumer's record --
they will be supplied forthwith.

P.S. -- CJA's July 3, 2001 letter to Schumer is
also posted under "Testimony" -- where it
appears together with some of the
most important substantiating documents
to which it refers.
