RE: MEDIA-UNREPORTED IMPEACHMENT STORIES

Dear Mr. Mauro:

Following up our phone conversation, enclosed are CJA's updated -- and perhaps more "user friendly" -- press releases (i.e. they've been dumbed down). They present dynamite stories about the *official* misconduct of the House Judiciary Committee and Chief Justice Rehnquist, with the potential to blow apart the Senate impeachment trial of the President.

These stories are, as yet, *media-unreported* -- except for my (expurgated) Letter to the Editor in the current issue of The Village Voice about CJA's impeachment complaint against Chief Justice Rehnquist. A copy of that Letter and January 19th Village Voice column to which it refers are enclosed.

Finally, a propos of your interest in judicial election stories -- which should also be compared against judicial appointment and so-called "merit selection" -- enclosed is a copy of my December 28, 1998 Letter to the Editor in the New York Post about "merit selection"/confirmation to New York's highest court.

Please call me once you've had a chance to examine our FIVE-YEAR correspondence with the House Judiciary Committee and our impeachment complaint against Chief Justice Rehnquist, which I will be sending to you by fed-ex.

Thank you.

Yours for a quality judiciary,

ELENA RUTH SASSOWER, Coordinator
