RE: Withdrawing the Respondent's Brief in Elena Ruth Sassower, Coordinator of the Center for Judicial Accountability, Inc., acting pro bono publico, against Commission on Judicial Conduct of the State of New York
(S. Ct/NY Co. #108551/99; September 2001 Term)

CLERK'S OFFICE RECEIVED
MAY 3 3 PM 4:22

Dear Mr. Belohlavek:

Transmitted herewith is my critique of the Respondent's Brief, demonstrating that, from beginning to end, it is fashioned on fraud and deceit – just as I told you it was in our April 3rd phone conversation.

Following your review, please forward the critique to your superior, Solicitor General Preeta D. Bansal, who bears ultimate supervisory responsibility for the workproduct of the Solicitor General's office. Please advise her that I request to speak with her personally about the Respondent's Brief and her professional obligations in connection therewith.

Should you or she have any questions about the critique – or about any aspect of the lawsuit -- I am, as always, ready to answer them. I certainly believe it is long past time that I was invited for a meeting to discuss how best to protect the transcending public interest in the integrity of the judicial process in this important public interest case.
