**1. Father Patrick O' Reilly, work at Uihlein Nursing home in Lake Placid where Marsha Finnan's mother, Hilda was for five years, just before the divorce action began I would have trusted Marsha's truthfulness, but these allegations are absurd.**

**2. I believe my cross examination by Mr. Asadourian was abusive. Mr Asadourian asked me if Marsha was a liar and I didn't answer. I came to testify to the truth. After reading #3 below, I can say Marsha is lying to the court.**

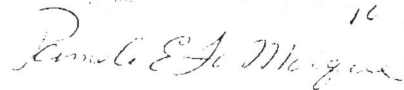

3. I read Mr. Asadourian's Memo of Law part of which is copied below:  
*"Defendant's cruel and inhuman courses of conduct toward her during the five years preceding the commencement of the action for divorce including: physical assault; regular bouts of abusive, denigrating and demeaning screaming and yelling by the Defendant at Plaintiff, which would often continue for hours; repeated vulgar name calling; controlling vindictive behavior by the Defendant causing the Plaintiff to lose her friends and associates, efforts by the Defendant to destroy the Plaintiff's relationship with her daughters, including the apparent willingness of the Defendant to abandon the parties' child, Victoria, due to her lesbian tendencies; and cruel conduct by Defendant toward Plaintiff when she chose to spend time with her mother who was dying rather than do what the Defendant wanted her to do. Plaintiff, herself, testified to the emotional and physical toll the Defendant's conduct took on her physical and mental well being."*

**4. I did testify that no such acts described in #3 above ever occurred in the five years that I knew Terence Finnan, Marsha Finnan, their children Julia and Victoria, and Marsha's mother, Hilda, I saw and talked with them several times per week during all the 5 years Hilda was at Uihlein Nursing Home.**

**5. I did, also, testify, specifically, that there never was cruel conduct by Terence Finnan toward Marsha Finnan and/or Marsha's mother. Marsha's mother adored Terence Finnan. Marsha's mother continually praised the love and care Terence Finnan gave to his wife, Marsha, and all their children.**
