**RE: Impeachment complaint against Chief Justice William Rehnquist & the media-
unreported story about how the House Judiciary Committee handles the hundreds
of impeachment complaints it receives against federal judges**

Following up my phone conversation with Bob Furlow, enclosed is the Center for Judicial Accountability's press release about two stories that will blow apart the Senate impeachment trial of the President -- or, at least, expose the hypocrisy and *official* misconduct of the House Judiciary prosecution team and of the presiding Chief Justice.

Upon request, we will readily transmit the substantiating documentation -- our November 6, 1998 impeachment complaint against Chief Justice Rehnquist, which includes our FIVE-YEAR correspondence with the House Judiciary Committee on the subject of its handling of citizen-filed impeachment complaints against federal judges.

Yours for a quality judiciary,
