RE: Impeachment complaint against Chief Justice William Rehnquist & the media-unreported story about how the House Judiciary Committee handles the hundreds of impeachment complaints it receives against federal judges

Enclosed is the Center for Judicial Accountability's press release about two stories that will blow apart the Senate impeachment trial of the President -- or, at least, expose the hypocrisy and *official* misconduct of the House Judiciary prosecution team and of the presiding Chief Justice.

Upon request, we will readily transmit the substantiating documentation.

Yours for a quality judiciary,

ELENA RUTH SASSOWER, Coordinator
