Ms. Sassower:

This is to confirm receipt of a copy of your letter of Dec. 6, 2000 to Laura Mansnerus. We have reviewed your faxes urging The Times to undertake an investigative examination of the merit selection process for judicial nominees. We believe our coverage of the issue has reflected the skepticism expressed by legal scholars on the selection process. While we have no current plans for a larger examination of the issue, we will continue to monitor the process.
