Attached is my letter to the editor, as published in yesterday's Roll Call, under the title, "*Correcting the Record*". It is also posted at the top of the homepage of CJA's website, www.judgewatch -- as is my April 14th drafted opening statement, which I now -- as before -- urge you to read. Were you to do so, you would understand how outrageous it is that the only thing Henri Cauvin had to say about my delivered statement was that it was "rambling". Have him read you the contemporaneous notes he took of the statement. Surely, they contain something of its important content, which he decided to conceal in order to protect Judge Holeman and the government.

Thank you.
