**Michael Getler, Ombudsman**  
The Washington Post

Dear Mr. Getler,

I would appreciate a telephone call from you at your earliest convenience to discuss the unprofessional and derelict fashion in which Assistant City Editor Bill Miller has handled your assignment to him of my serious and substantial complaint against Henri Cauvin ("Conduct Trial Gets Off to Rough Start" (4/15); "Activist Convicted Of Disrupting Senate Committee" (4/21)).

Thank you.
