E-letter urging Governor Cuomo to sign M/C Pay Commission bill ▼See Below▼ E-letter urging Governor Cuomo to sign M/C Pay Commission bill ▼See Below▼

Update: Our M/C Pay Commission bill ([A.246](#)) has not been sent to the Governor yet, but the Assembly has begun the process of forwarding bills to the Governor for his approval or veto. **Seventy-one bills were sent to the Governor on July 3rd.**

Although these have been mostly housekeeping and "home rule" type bills (counties seeking taxing authority increases, naming of highways for fallen veterans, changing the status of public lands, etc), the urgency of your writing the Governor and asking him to approve our M/C Pay Commission bill remains.

We will be mass mailing all M/Cs next week, urging you to write the Governor, but there's no need to wait. Your letters urging him to approve the M/C Pay Commission bill are needed NOW!

Once the bill is sent to the Governor, it will be assigned to one of the Governor's legislative counsels. A bill jacket will be created and all correspondence and support letters will be made part of the official file. The timing and transmittal of such support correspondence is crucial. For example, since no bill jacket will be created until the bill has been sent to the Governor, it is probable that any supporting correspondence that has been submitted in the meantime will be lost or not held for bill jacket filing.

Therefore, for now, we ask that you send your supporting correspondence to OMCE, where we will hold it for transmittal to the Governor's Counsel at the appropriate time.
