Dear Elena,

It was nice to see you at the GWU conference last week.

I have read your memo to the Nieman Foundation on behalf of the Center for Judicial Accountability.

I am afraid that the Nieman Foundation is not able to provide the assistance you seek concerning the records of Attorney General Spitzer and Sen. Clinton or other activities. The Nieman Foundation's charter as a non-profit educational foundation at Harvard University does not permit it to participate in any political activities, either in connection with an established political party or a non-profit citizens group, such as the one your represent.

With all best wishes.
