Dear Elena:

Thank you for your note of congratulations and your letter of May 26, 1992. I would be happy to get together with you to discuss your letter and our Judiciary Committee procedures and processes. Toward that end, I have asked Fern Sussman to arrange a meeting for us. Right now I have had to devote almost all of my time to matters of transition from one administration to another.

With best wishes to you.

Sincerely,

John D. Feerick
