Dear Ms. Sassower:

I have received your letter of March 18, 1996. Clearly, we do not agree about the Commission on Judicial Conduct.

I am aware of the substance of your ongoing communications with this Association. This will confirm what you have been told before. This Association can not assist you.

Since this Association was not involved in the organization of the Committee to Preserve the Independence of the Judiciary, I suggest you direct your thoughts about that group to the New York County Lawyers Association.

Sincerely yours

Barbara Paul Robinson
