Re: Orders in Judicial Misconduct
Complaint Proceedings

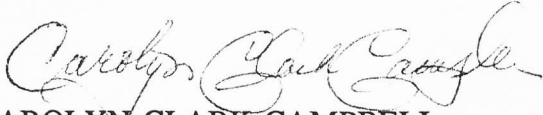

Dear Mr. Karr:

It has come to my attention that in connection with judicial misconduct complaints filed with our office after April 1, 1994 (and any public orders prior to that time) the docket-sheet record of orders of the chief judge and the judicial council and the texts of such orders and supporting memoranda are to be filed with your office.

Enclosed are such copies of all such orders.

I am informed that your office has copies of the few public orders which were issued in complaints filed prior to April 1, 1994. I believe these were all issued prior to my joining this office in 1991. Please send copies of these orders so that I may add them to our public file.

Very truly yours,

CAROLYN CLARK CAMPBELL
Chief Deputy Clerk
